Ogden, June 26.—In the district court yesterday Judge Howell heard the petition asking for the appointment of A. T. Hestmark as administrator of the estate of Alvin West, deceased, who met his death Nov. 1, 1906, in a wreck on the Southern Pacific. The petition was granted on Mr. Hestmark furnishing a bond in the sum of \$5,200. This action was taken so that a claim for damages against the railroad company might be compromised, which was done for \$2,500, and the court approved of the settlement.

The case of the suit against H. L. Stonecipher, the dentist charged with practicing his profession without a license, an appeal from the municipal court was dismissed on motion of the defendant's attorney on the grounds that the complaint did not set forth facts sufficient to constitute a cause of action for a public offense. In the lower court Stonecipher was found guilty and fined \$50, which he did not pay.
